BLACK HAND LEADERS JAILED

Postal Inspectors Make Arrests in Three Ohio Towns.

RAIDED THEIR HEADQUARTERS

Evidence Secured by Detectives Show That Hundreds of Business Men In All Parts of Ohio Had Been Paying Tribute to the Gang.

Cincinnati, June 9.-United States postoffice inspectors from Cincinnati believe they have discovered the headquarters of the Black Hand in this country at Marion, O. This belief is based on documentary evidence found when Sam Lima, of Marion, O.; Antonio Vicario, of Columbus, O., and A. Marfis, of Dennison, O., were ar-

Inspector Oldfield states that when the whole story is known the country will be astounded.

The arrests were made simultaneously in the three towns after a search of six months for the men who sent threatening letters to John Amicon, a fruit dealer of Columbus, O. demanding that \$15,000 be paid in Pittsburg. The handwriting in the letters to Amicon is identical with that in the letters received by Antonio Rizzo, a fruit dealer of Cincinnati, who died suddenly several weeks ago after refusing to obey the demand of a Black Hand letter to pay \$1000 or forfeit his life. He died after eating a banana given him by a stranger.

A dispatch from Marion states that Joseph Rizzo was also arrested in that city. The postoffice inspectors say they have discovered evidence showing that Marion is the headquarters of all of the Black Hand societies of the country, and they allege that Samuel Lima is the head of the organization. The contents of the safe in the Rizzo store bear them out in this assertion, they say. They say they found that hundreds of business men in all parts of the state had been paying tribute to the gang.

Acting in harmony with the government officers, the Pittsburg police recently entered the Black Hand headquarters there and made twenty-one

The men arrested were charged with attempting to extort under the federal statutes. The Black Hand gang recently ordered Fred Clanciolo, a Cincinnati fruit dealer, to give up \$16,000 on penalty of death for himself and family if he refused.

Cianciolo gave no thought to the letters, and a few nights later a dynamite bomb was exploded in the doorway of his home. No one was injured but an adjoining saloon was wrecked.

BURGLARS CARRY OFF

Structure 15 Feet Square Disappears From Park.

Jersey City, N. J., June 9. - The palm for pure, unalloyed and unadulterated "nerve" will have to be awarded to the merry band of burgling and house-breaking individuals who descended upon Mary Benson park, in the Italian quarter of Jersey City, and carried off the band stand which for many years had constituted its chief ornament.

The deliberateness with which the work of demolition and later of transportation by truck was accomplished entirely disarmed suspicion, and the stand had disappeared several hours before the authorities could bring themselves to a realization of what had happened.

The structure was fifteen feet square, with an ornate balustrade, steps and ornamental metal roof.

HONEYMOON IN CELL

Woman Locked Up In Her Wedding

Garments. Findlay, O., June 9-Mrs. Pearl Wislock was arrested just after her marriage to Clarence Wislock, and, clad in her wedding garments, she spent the night in a police station cell. The bridegroom was permitted to share the cell with her. The bride was charged with perjury. She was prosecuting witness in an assault case, recently tried. She testified that last April she was married in Toronto, Ont. This, it is claimed, was found to be false.

Sleepy Burglar Gets Five Years. Norristown, Pa., June 9.-Charles Codden, the burglar, who was found asleep in the residence of Howard Yarnall, was sentenced to five years in the eastern penitentiary. He admitted breaking into the house. After he had secured money and jewelry a Mor-ris chair looked so inviting that he sat down and fell asleep.
